A. at the moment B. then C. now D. yesterday
9. I think language barriers will disappear _____ 30 years.
A. in B. for C. by D. at
10. Nga: I won the first prize in the English Speaking Contest yesterday. Hoa: _____
A. Sorry to hear that B. Congratulations C. Hold on D. It's a piece of cake

II. READING (2.0pts)

Part 1. Read the passage, and then fill in each gap with one suitable word given in the box (1.0 pts).

but last strongest such damage

A tornado is a kind of storm which looks like a huge funnel. Tornadoes are the (11) _____ winds on earth. They can reach 480km per hour. With such great strength, a tornado causes a lot of (12) _____. It can pull up trees, flatten buildings, and throw heavy things (13) _____ as cars hundreds of metres. It is especially dangerous for people in cars or mobile homes.

Tornadoes differ in their duration and the distance they travel. Most last less than ten minutes and travel five to ten kilometres. Some special tornadoes can (14) _____ several hours and travel up to more than 150km! Tornadoes can occur almost anywhere on earth, (15) _____ most of them happen in the United States, especially in the Great Plains region. This area may experience more than 200 tornadoes in each year.

Part 2: Read the text then choose the correct answer among(A, B, C or D).(1.0pt)

Shopping centres attract a lot of customers, especially at the weekend, on holidays, or during sales. Shopping centres offer a wide range of products to choose from. Customers can touch the products and try on clothes and shoes. This makes them feel more comfortable when they decide to buy something. However, people also go to shopping centres for many other reasons. Some people go there for entertainment. These centres often offer year-round free entertainment for customers of all ages such as live music and special performances. During holidays, shoppers can see decorations and join in the holiday excitement. It's a good way to relax. Some people go there just to **hang out** with friends. They go browsing and chat while wandering through the shopping malls. Others visit shopping centres to get exercise. They enjoy walking for one or two hours in clean and well-lit areas. Some people even go there to avoid the heat or cold outside. Shopping centres offer free air conditioning and heating.

16. According to the passage, who do shopping centres attract ?
A. students **B.** customers **C.** sellers **D.** experts
17. How are shopping centres at the weekend, on holidays, or during sales ? They are _____.
