C. READING (2.5 pts).

I. Complete the passage with the words in the box. (1.25 pt)

crops	using	heat	like	shines	plant
--------------	--------------	-------------	-------------	---------------	--------------

A greenhouse is a building made of glass, where you can grow flowers and vegetables that need a lot of warmth. Sunlight (1) through the glass and warms the greenhouse while the glass keeps the heat from escaping.

The Earth is surrounded by a blanket of gases that acts just (2) greenhouse. Factories, electric power plants and cars make a lot of new gases. These gases are trapping more and more of the sun's (3) This is called "the greenhouse effect".

If the Earth's temperature increases by just a few degrees, it will change the weather all over the planet. Some places will become too hot to live in or to grow (4) anymore. This will cause a lot of people to starve.

That is why people must do their best to stop the greenhouse effect by (5) fewer energy-consuming products and planting trees.

II. Read the passage and answer the questions below. (1.25 pt)

Thrift Stores

You can find a thrift store, or thrift shop, or charity shop throughout cities in many countries. These shops mainly sell used goods, such as clothing, books, music albums, shoes, DVDs, toys, and furniture. Most of the goods are donations from the public, so they are very cheap. Shopping at thrift stores is traditionally an economical way to buy clothes and basic necessities for low-income families and individuals. Today thrift store shopping has become a fun and exciting way for many people to find rare and expensive goods at a low price.

The purpose of thrift stores is to raise money for charities. The money you spend at a thrift shop usually benefits a church, school, or community group. They help support charitable purposes like helping homeless people, supporting a cancer association, or job training and placement programs for people with disabilities and the disadvantaged. Shopping at thrift shops is a great way to save money while supporting a good cause.

Questions:

1. Where can you find a thrift store?
2. Where do thrift stores get their goods?
3. Is thrift store shopping for low-income people only?
4. What is the purpose of thrift stores?
5. Who benefits from the money that thrift stores make?
