Read the passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the questions below.

Learning English can be hard, but you can make it easier with some simple steps. First, you need to have clear goals. Think about why you want to learn English. It could be to speak better, write better, or pass a test. Having a **goal** will help you stay focused.

Listening to English often is very useful. You can listen to English radio, watch movies, or view videos online. This helps you get used to how people speak English.

Speaking English is also important. You can find a friend to practice with, join a group, or take online classes. Do not worry about making mistakes. Mistakes help you learn.

Reading and writing in English is helpful too. Read books, newspapers, and simple articles in English.

Write a diary or chat online in English. This helps you learn new words and practice your writing.

There are also apps and websites that can help you learn English. Apps like Duolingo and Memrise are good for learning new words. Websites like Grammarly help you check your writing.

Try to study a little every day. Even 10-15 minutes a day is good. This regular practice helps you get better over time.

Finally, use English in real life. Speak English when you are shopping, write emails, or talk to friends. Using English every day helps you become more **fluent**.

Remember, learning English takes time and patience. With these tips and regular practice, you will improve quickly.

Question 35. Which of the following is NOT true, according to the passage?

- A. Listening to English can help you get used to how native speakers talk.
- B. Using English in real life is not necessary for learning the language.
- C. Writing daily can improve your writing skills in English.
- D. Regular study helps you make progress in learning English.

Question 36. The word '**fluent**' in the passage is OPPOSITE in meaning to _____.
