Phuong Uyen, a student at a specialised high school in Quang Nam, needs to have a well-balanced life because she wants to excel in her studies, pursue her passions and hobbies, etc. Below are some of the things she often does to achieve a well-balanced life.

Firstly, Phuong Uyen starts each day by planning her schedule and setting priorities for the day, making sure to allocate time for studying, extracurricular activities, and socialising. She also takes breaks throughout the day to relax and recharge. In addition, Uyen dedicates time to her hobbies, such as reading, listening to music, and doing sports. She believes that pursuing her passions brings her joy and a sense of fulfilment.

Phuong Uyen also spends time with her family and friends regularly and makes an effort to stay in touch even when she is busy with schoolwork. She understands the importance of building and maintaining strong relationships with them. Finally, Phuong Uyen gives priority to her physical and mental health. She gets enough sleep, eats a balanced diet, and does

exercise regularly. She also practises mindfulness and meditation to manage stress and maintain a positive mindset. By following these practices, we believe that Uyen is on her way to achieving a fulfilling and well-balanced life.

For questions 26 – 28, write T (True) or F (False) for each sentence.

26. _____ Uyen plans the schedule and sets priorities for the day.
27. _____ She doesn't only spend time with her family and friends regularly but she also makes an effort to stay in touch at any time.
28. _____ It is unlikely that she will achieve a well-balanced life.

For questions 29 – 30, write short answer.
