Question 20. A. Because B. Although C. Unless D. If

PART 2: Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer for each of the questions from 21 to 24.

Music has always been a universal language that connects people across cultures and generations. It serves as a form of expression, allowing individuals to convey emotions and ideas that words alone cannot fully capture. From classical symphonies to modern pop songs, music has the power to inspire, comfort, and unite.

One remarkable example of music's impact is its role in social movements. Songs like 'We Shall Overcome' became anthems for civil rights, inspiring millions to fight for equality. Similarly, in times of personal struggle, many find solace in melodies that reflect their feelings, helping them cope with challenges.

The global popularity of music is also evident in how it transcends language barriers. A listener may not understand the lyrics of a song in another language but can still connect with its rhythm and emotion. ***This universal appeal** is why music continues to play a vital role in fostering understanding and unity among people worldwide.*

Ultimately, music is more than entertainment; it is a powerful force that shapes culture, inspires change, and brings people together."

Question 21. What is the main idea of the passage?

- A. Music has a universal appeal and unites people.
- B. Music is only valuable in social movements.
- C. Music is an entertaining art form.
- D. Music is better than other forms of art.

Question 22. According to the passage, how does music help individuals during personal struggles?

- A. By teaching them about other cultures.
- B. By encouraging them to create their own songs.
- C. By reflecting their emotions and offering solace.
- D. By distracting them from their problems.

Question 23. In the sentence, "***This universal appeal** is why music continues to play a vital role in fostering understanding and unity,*" what does "***this universal appeal***" refer to?

- A. Music's ability to transcend language barriers.
- B. The importance of lyrics in songs.
- C. The popularity of modern pop songs.
- D. The rhythm and emotion of music.

Question 24. What example does the passage give of music being used in social movements?

- A. A classical symphony composed during a war.
- B. A famous pop song performed at a concert.
- C. A song written to promote unity in sports.
- D. 'We Shall Overcome' inspiring the civil rights movement.
