Read the passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the questions below.

Vietnamese Education System

Vietnam has a national education system that provides quality teaching for students across the country. The system is divided into five levels: preschool, primary school, lower secondary school, upper secondary school, and higher education. Students study various subjects such as math, literature, science, and history.

Schools in Vietnam also teach moral values and life skills to help students grow academically and socially. Many schools offer extracurricular activities like singing, sports, and traditional arts. These activities help students become more **confident**, creative, and better at teamwork. Some schools support students with extra classes or tutoring programs. International schools in Vietnam provide English-based curriculums to prepare students for global education.

Question 33. What is the main idea of the passage?

- A. The structure of Vietnam's education system.
B. The focus of Vietnamese schools on extracurricular activities.
C. The introduction of Vietnam's education system and schools.
D. The benefits of international schools in Vietnam.

Question 34. Extracurricular activities in Vietnamese schools help students:

- A. learn more academic subjects. B. improve creativity and teamwork skills.
C. prepare for university entrance exams. D. understand life skills better.

Question 35. What do Vietnamese schools also teach students?

- A. moral values and life skills. B. international curriculums.
C. outdoor activities. D. self-development skills

Question 36. The word "**confident**" is OPPOSITE in meaning to:

- A. proud B. shy C. brave D. creative

Question 37. According to the passage, which of the following is NOT mentioned about the Vietnamese education system?

- A. It includes different levels of education. B. It offers extra classes or tutoring programs.
C. It focuses only on academic subjects. D. It prepares students for global education.
