One sunny afternoon, a fire broke out in a house near the town centre. Sam and his team quickly rushed to the scene. **They** wore their protective gear and used their firefighting equipment to extinguish the flames. Thanks to their swift action, everyone in the house was safe.

Another day, Sam noticed a delivery man struggling with a heavy package. Being a helpful person, Sam offered his assistance. Together, they delivered the package to its destination, bringing a smile to the recipient's face.

On a different occasion, Sam's neighbour had an electrical issue in their home. Sam, being a skilled electrician as well, came to the rescue. He **fixed** the problem and ensured that the house had a safe and functioning electrical system.
