Subject: Our community service day

Hi Hoa,

Last Sunday, our school had a community service day. In the morning, we collected clothes and toys for poor children in the village. After that, we helped clean the

park near our school. Some of my friends painted the fences, and others planted flowers. Everyone worked hard and had fun. In the afternoon, we visited an orphanage to give the clothes and toys to the children there. They were very happy and thanked us a lot. I felt proud because we did something useful for our community.

Love,

Lan
