Linh: That's a lot. I only spend one to two hours a day. I prefer doing outdoor activities to watching TV. What's your favorite thing to watch?

Phong: I like action films on HBO channel. Do you know Jackie Chan? I love all of his films.

Linh: Yes, he's my idol. He's so talented. Do you watch TV when you're eating?

Phong: Yes, I do. I often eat snacks, biscuits and candies when watching films.

Linh: Oh, I also love eating when watching TV, but my mom doesn't allow me to do this. It's not good for my health. So I seldom eat when I'm watching TV.

Phong: That's right. I want to change it, but it's a little bit difficult for me.

II. Part 2

Hello, I'm Minh. I like sports very much. My favorite sport is football. I play it when I have free time. It's a team game, so I often play it with my friends. We are divided into two teams and compete with each other. Players will try to kick the ball to the goal of the other team to score points. The team who scores more points is the winner. Sometimes my team wins the game. It's really interesting. It helps me keep fit.

Hi, my name's Linh. I like doing sports very much. The sport I like most is volleyball. You play it in groups of six people. To play it, you need a net and a ball. Volleyball players score points by grounding a ball on the other team's court while following game rules. Now I'm a member of my school volleyball team. I like volleyball because it's exciting. It's also a good way to get exercise and have a lot of fun.
