My grandparents (21) in the countryside, and they have a big garden. They spend a lot of time working in it. When I visit them in summer, I often join them in the garden, and they teach me a lot of things about vegetables. Vegetables come in different shapes, (22), and colours. They also grow differently as well. Carrots and potatoes grow (23) the ground. We can't see them. Some kinds of beans need some supports to climb. Cabbages and cauliflower grow above the ground. My grandfather says that (24)..... vegetables are very good for health because they provide a lot of natural vitamins. White cauliflower is rich in vitamin C. Orange carrots and red tomatoes contain vitamin A. Pumpkins have vitamins A, B, C, and E. My grandfather also says that gardening is a good way of exercising. It helps him (25).....fit and strong.

II. From question 26 to 30. Read the text and choose the correct answer. (1,25m) (Đọc đoạn văn và chọn câu trả lời đúng cho mỗi câu hỏi bên dưới)

Why can some people live to over a hundred, while most of us die much sooner? How long you live depends on where you live. A person who lives in a city in Australia will probably live longer than a person living in a poor part of Africa. So, what can you do to live longer? You can make healthy choices. That means eating healthy foods and getting enough exercise.

Being overweight may make your life shorter because you have a higher chance to have health problems. You can start by changing what you eat. Eat less red meat instead of chicken or fish. Fish is really good for helping you live a longer life. You should eat lots of vegetables, so you can get a lot of the vitamins you need. You also need to get enough exercise. There are different types of exercises. Some exercise is good for the heart. Other types of exercise is good for making you stronger. Lifting weights is a good example. Along with taking care of your body, you also have to take care of your mind. Don't work too hard. Try to relax and do something fun each day. If you follow these simple rules, you will have a good chance of living a long time.

26. What is the reading text about?
A. How to live a long life. B. You live longer thanks to the place you live.
C. Being overweight makes your life shorter.

27. What are healthy choices?

- A. Eating healthy foods B. Getting enough exercise
C. Eating healthy foods and getting enough exercise

28. Why should you eat vegetables?

- A. Because vegetables are better for your health than meat.
B. Because vegetables helps you get a lot of the vitamins you need.
C. Because vegetables are easy to make healthy dishes.

29. How is lifting weights good for you?

- A. It makes your heart stronger. B. It makes you stronger. C. It makes you lose weight.

30. Which statement is NOT mentioned in the text?

- A. Mental health is also important.
B. Fish and chicken are better for your health than red meat.
C. One of the secrets to a long life is to eat lots of vegetables instead of doing exercise.
